Hello Horace Allen School

My name is Stephanie Hofman, and I am an essential oil educator for doTERRA Essential Oils.

I am passionate about teaching children and families the importance of healthy living using oils.

I would like to discuss opportunities to serve your staff and also to discuss fundraising options.

I teach and work only with doTERRA Essential Oils. These oils are gently and carefully distilled

From plants around the world for ideal extract composition and efficacy. Each oil is thoroughly

Tested using the strict CPTG (Certified Pure Therapeutic Grade) quality protocol.

During the best times, www.puredrop.ca is a GREAT way to earn money, year round for your school /group.

During this pandemic, its one of the SMARTER and SAFER and HEALTHIER options, without going door to door, or

In person selling. No more paper order forms and collecting money – just click, fill in the form and send!

Then, share the link with other family and friends.

This virtually HANDS FREE Fundraiser will allow customers, not just in your community, but all over CANADA,

To purchase an Introductory Essential Oil Kit for \$40, of which \$10 per kit will benefit YOUR School / Group.

Customers will also receive a free Ebook entitled, “101 ways to use Essential Oils”, and have the chance,

If they wish, to attend a one hour ‘live’ class (via Zoom) on how to use the oils. This fundraiser will change

The quality of lives of people in your community and all over. Re-order rate is approx. 85% (more information will

Be provided later on this)

I look forward to hearing back from you about the opportunity to serve you and to raise funds for your school.

Simply fill in the form for more information, (no obligation), and I will be in touch: Registration | Pure Drop

Essential Oils

** Please be sure this gets to the person in charge of fundraising - PAC, Student Council, etc... any group

looking to raise \$\$!
