

Meeting #2

October 30, 2024

Horace Allen Eco Club mission: to 'take care of the environment' by finding ways to help nature!

Goal - to see how we can help the world at school we will look at what one school did and discuss what we might do...

- to learn about the 'green triangle' and color one of choice
- to discuss why we are collecting some items to fill Christmas shoeboxes. (Operation Christmas Child)

Literacy Anchor - "Change the World in Five Minutes Everyday at School" video:

<https://www.youtube.com/watch?v=oROsbaxWHOM>

Your Mission

- Ask your teacher to show the short video to your class and ask who knows what the 5 ways are that they are helping the world.
 1. recycle cell phones (they call them mobiles in Australia)
 2. grow a vegetable garden
 3. turn off unused electricity
 4. have a free garage sale
 5. tell jokes and laugh
- Ask your teacher and your family if they would contribute 1 item for the shoeboxes.
