

Meeting #4

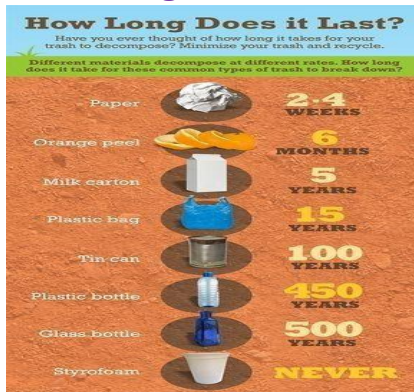

November 20, 2024

Horace Allen Eco Club mission: to 'take care of the environment' by finding ways to help nature!

Goal - to check and repair/re-label classroom 'green' recycle boxes and school recycle bins, to review the items recyclable at HAS, to sign the pledge for a new Earth Rangers challenge and finish packing shoeboxes for Operation Christmas Child -

Literacy Anchor -

"How long does it take to decompose" poster

Your Mission -

1. Bring your class 'green' recycle box to the meeting – return it to your classroom and remind your class what goes in it.
2. Tell your class about the shoeboxes we filled to send to needy children across the world,
