

Meeting #6

December 19, 2024

Horace Allen Eco Club mission: to 'take care of the environment' by finding ways to help nature!

Goal - to learn about the 'green triangle' - to reuse materials and nature for crafting and recycling for Christmas crafts, gifts and gift wrapping.

Literacy Anchor - Usborne "The Big Book of Christmas Things to Make and Do"

"Recycling for gift wrapping ideas" video:

"22 Holiday Craft Ideas using natural materials"

<https://www.plt.org/educator-tips/holiday-craft-ideas-natural-materials/>

Your Mission –

- 1. Make a gift box from recycled Christmas cards.**
- 2. Make a nature craft using pinecones.**
- 3. Tell your class we will submit our results of the "Too Tasty to Trash" checklist to Earth Rangers to go on to Step 3 of the Fall Quest and choose a wildlife conservation animal to adopt.**
